

MISSION

Lyrics : Hironori Nagasawa & Enoku Mitsuhashi & Anjiki Joey

Music : Hironori Nagasawa

鞅に収めた言葉なら 語らぬほうがいい

If you decided not to say, do not say forever.

誰にも見えない光なら 放たぬほうがいい

Don't cast light if no one can see the light.

With my heart with my soul Everything that I have
I will give you all the glory Til the last breath I take
You are my rock my salvation Everything that I stand for
I will live just for you Lord Til my dying days my soul will
sing

託された想いを胸に 進む道の先で

a burden that has given upon to me,

暗やみの中から光へ あなたを連れ出すよ

I will guide you in your journey from darkness to light

With my heart with my soul Everything that I have
I will give you all the glory Til the last breath I take
You are my rock my salvation Everything that I stand for
I will live just for you Lord Til my dying days my soul will
sing

With my heart with my soul Everything that I have
I will give you all the glory Til the last breath I take
You are my rock my salvation Everything that I stand for
I will live just for you Lord Til my dying days my soul will
sing
