

君はそれで素晴らしい

Words/Lyrics : Hironori Nagasawa

We' ve got an email today
From I am 'COMPLEX'
It' s been so long! Thank you for your e-mail again
Let us know read it for us

“I hate myself. I hate the breath I breathe out”
“Life is so hard to live. Can you tell me why?”

Thank you. Your e-mail is so real.
You are afraid of other people and so troubled with worries, aren' t
you?

I won' t say any more. I' m not analyzing how you feel.
But one thing I just wanna say. You are amazing as you are.

“Thank you for your response”
“I felt a little bit better”
“But let me be demanding and ask one more question”
“Can you tell me why I am amazing?”

You must have someone you love
You love that person, not just one part or one aspect but whole
being.

So does God. You are loved wholly including the part that you don' t
like
Why? It can' t be found in this world. You are amazing as you are.

No one in this world can replace you. Though life is hard and complex

Then you will end your life? That' s not your way out.

You are here. You and I are here. You live and I also live.
You were made and so you are here. You are amazing as you are.
