

Light

Words/Lyrics : Hironori Nagasawa

誰にも見られぬように 閉じ込めた
My past, miserable memories locked up inside me
過去の苦い記憶が疼いてくる
started coming out. I wanted no one to see
誰かが囁いてる 耳元で
Someone's voice was whispering into my ears
「心底お前さんにはガッカリだよ」
“I'm so disappointed with you.”

声を振りきって 走り始めたんだ どこに行くのかも知らず
I started running to shake off the voice. not knowing where I was
heading
壁にぶつかって 上を見上げたんだ 光が照らしている
But I came to a dead end and looked up in the sky. There the light
shining.

だから手をあげて この手につかむよ
So I lift up my hands and hold the light in my hands
だから手をあげて この手につかむよ
The light that never changes yesterday, today and tomorrow

言葉が胸に刺さる いつまでも
Someone's words have been piercing my heart
引きずる自分にまでも嫌気がさす
I hate myself still affected by those words

どうしようもなくて 上を見上げたんだ 照らされるのはこわいけど
Not knowing what to do, I looked up, though I was scared of being
seen by the light
先に進めずに 叫び続けたんだ 言葉がなくなるまで
No longer could I move forward. I kept shouting until I had no more
words left.

だから手をあげて この手につかむよ

So I lift up my hands and hold the light in my hands

昨日も今日も未来も 変わらぬ光を

The light that never changes yesterday, today and tomorrow

だから手をあげて この手につかむよ

So I lift up my hands and hold the light in my hands

昨日も今日も未来も 変わらぬ光を

The light that never changes yesterday, today and tomorrow

闇が心を塞ごうとしても 光はさらに輝いて

When darkness tries to cover your heart, the light shines even brighter

全てのものを照らし続ける 見上げるなら 求めるなら

Light exposes everything if only you look up and seek

だから手をあげて この手につかむよ

So I lift up my hands and hold the light in my hands

昨日も今日も未来も 変わらぬ光を

The light that never changes yesterday, today and tomorrow

だから手をあげて この手につかむよ

So I lift up my hands and hold the light in my hands

昨日も今日も未来も いつまでも 変わらぬ光を

The light that never changes yesterday, today and tomorrow
